

To whom it may concern:

The Teepee Creek Jr Rodeo is a thriving club of over 100 young athletes. We created our club in 2017 when a group of parents joined together to give our children who dream of competing in an arena, a chance to compete, practice and learn the safety and technicalities of the sport.

With overwhelming success in our first year, we decided to continue. The children in our club will have the opportunity to compete in as many or as few events as they wish. Our goal is to encourage our cowboys and cowgirls by letting them explore as many events as possible, while being guided by experienced and seasoned athletes who take pride in competing in the sport of rodeo.

This year we have plans to hold six regular rodeos and seven clinics throughout the months of October 2024 to March 2025, in order to give the children several opportunities to perform and gain confidence in the events of their choice. We will finish off the year at the end of March with our final event. We would love the ability to offer many great prizes and awards to recognize the hard work and dedication the children have displayed throughout the year.

Unfortunately, we are unable to make all of these plans a reality without a little bit of help. As a club we are reaching out to our surrounding community in hopes of obtaining financial support that will assist the youth in the north region to pursue their dreams within the world of rodeo.

This is our seventh year of operating our club and we hope to not only continue, but to also to grow bigger and better with each year. We are looking to partner with a few kind and generous sponsors as we grow Teepee Creek Jr. Rodeo Club. Together we can give these children a fun and safe place to learn and also excel as rodeo athletes. A place where they can gain confidence in themselves and build self esteem. Where new friendships are made and they can have fun learning in a safe environment. We have had members grow into strong competitors who have achieved provincial championships, a World Champion, and many many high school rodeo season leaders and Wildrose Rodeo Association winners. We are very proud of how our club has been a small part in our members successes.

As you know, this requires a lot of time and volunteers, but it also requires a lot of financial support to organize and hold events like these. Our major expenses include arena rental, stock fees, equipment etc. so we can teach effectively and reward. We have created and included some amazing sponsorship packages for your consideration. These packages also offer our generous sponsors some fantastic perks! Sponsorship will run to March 2025.. If you think this is something you would like to be involved in or would like more information on how you can help, please contact Tanya Leslie at teepeecreekjrrodeo@hotmail.com OR Andrew Stewart @ 780-518-1073.

You can also find us on facebook. Let's partner up and make some young athlete's dreams come true.

Sincerely,

Teepee Creek Jr. Rodeo
