Thank you for your faithfulness. We are privileged to serve Christ as missionaries and be in partnership with you proclaiming the Gospel. Thanks, also, for your prayers as we have heard two clear messages in which we are abiding: stay in ministry and stay in Little Rock.

We are very excited for what God is doing and space does not permit us to share here. Expect a call soon so we can fill you in!

God is doing a new thing! Isaiah 43:19a:
“See, I am doing a new thing! Now it springs up; do you not perceive it?”

Your giving provides essential resources to us. Please consider us as you consider year-end giving so we can be well suited to embrace what God has called us to in 2020.

Praise God for nearly 20 years with FamilyLife and the opportunities we have had to be used by Him to make a difference in the lives of thousands of people.
