

April 2020

Maupin Message

As you know, Pure Adventure Spring season events have been put on hold at this time. However, we do anticipate a robust Fall. I will stay in touch with you and will be praying for you throughout these unusual times. You are so vital to all that God does toward the Pure Adventure mission to connect dads and sons with Christ at the center of their relationship and we truly appreciate your heart to partner prayerfully and financially. You rock!

I encourage you to participate in our fun April outreach, Pure Adventure BINGO, and to invite others to get involved as well. Invite your friends and family to go to our website, www.pureadventure.org/pureadventurebingo for details. Also, you can LIKE our Pure Adventure Facebook page and you'll find some details there as well. Your invitation may lead others to discover Pure Adventure and importantly, may help those who are adjusting to a new world filled with social-distancing and sheltering-in-place rules. We would love to help dads lead well to overcome the limitations of these new rules and use the time together as families in intentional, God-centered, relationship-building ways.

We've loaded up the gameboard with father-son activities that focus on intentionality, service, Scripture and bonding while having fun. We see it as a way to take what the enemy wants for evil and produce instead what God wants for good. We have a great prize for the winner and there are 12 ways to make BINGO so that's up to 12 chances to win for each entrant.

Contact me if you have questions and thanks for your prayers and support as we seek to honor God even in the midst of these strange, uncertain circumstances.

Let's lead well through our invitations to participate in Pure Adventure BINGO.

We likely all know those who would be blessed to have some intentional, meaningful family fun to add a sweet aroma to the closed-environmental atmosphere in their homes. To God be the glory. We appreciate you.

Be of good cheer,

Rick
