

Freight Train (Chas McDevit with Nancy Whiskey)

Chorus:

[C] Freight train, Freight train, [G7] going so fast

[G] Freight train, Freight train, [C] going so fast

[E7] Please don't tell what [F] train I'm on

So they [C] won't know [G7] where I'm [C] gone

[C] Freight train, Freight train [G7] going round the bend

[G] Freight train, Freight train [C] coming back again

[E7] One of these days turn that [F] train around

And go [C] back to [G7] my home [C] town

[C] One more place I'd [G7] like to be

[G] One more place I'd [C] like to see

To [E7] watch them Blue Ridge [F] mountains climb

When I [C] ride old [G7] number [C] nine

[C] When I die Lord [G7] bury me deep

[G] Down at the end of [C] Chestnut Street

[E7] Where I can hear old [F] number nine

As she [C] comes on [G7] down the [C] line

[C] Freight train, Freight train, [G7] going so fast

[G] Freight train, Freight train, [C] going so fast

[E7] Please don't tell what [F] train I'm on

So they [C] won't know [G7] where I'm [C] gone

Folsom Prison Blues (Johnny Cash)

[G] I hear the train a comin', it's rollin' round the bend
And I ain't seen the sunshine since I[G7] don't know
when
I'm[C] stuck in Folsom Prison, and time keeps draggin'[G]
on
But that[D7] train keeps a rollin',[C] down to San
An[G]tone

[G] When I was just a baby, my Mama told me son
Always be a good boy don't[G7] ever play with guns
But I[C] shot a man in Reno, just to watch him[G] die
When I[D7] hear that whistle blowin'
[C] I hang my head and [G] cry

Kazoo

I[G] bet there's rich folk eatin', in a fancy dining car
They're probably drinkin' coffee and[G7] smokin' big
cigars
But I[C] know I had it comin', I know I can't be[G] free
But those[D7] people keep a movin'
[C] And that's what tortures[G] me

[G] Well if they freed me from this prison
If that railroad train was mine
I bet I'd move it on a little [G7] further down the line
[C] Far from Folsom Prison, that's where I want to[G] stay
And I'd[D7] let that lonesome whistle,[C] blow my blues
a[G]way [Gdim] [G]
Repeat last line twice
