# THE CLUB

## PARTNERSHIP OPPORTUNITIES

Established in 1973, Noosa Lions Football Club has grown to be the largest football club on the Sunshine Coast. In 2021 there were 693 registered players, competing in 74 teams, with both male and female members aged from 5 to 80+ years old.

2023 was another highly successful year for Noosa Lions. Our FQPL3 men finished 2<sup>rd</sup> and won the Grand Final whilst our FQPL3 u23s finished the regular season as Premiers, undefeated in the regular season and runners up in the Grand Final. Our FQPL3 Women finished 3<sup>rd</sup> and made it to the Grand Final, our u23s also finished 4<sup>th</sup>. We also had another 8 junior and senior teams compete in the finals with our u13 boys and u15 div 1 boys winning the premiership and u13 div 1 and u15 div also winning the Championship.

On a weekly basis the club welcome teams from all over the Sunshine Coast from as far afield as Beewah to Maleny to Gympie.

In 2024 we envisage our club to grow to 750 members. Your brand exposure and ability to reach thousands of Sunshine Coast residents each week is without a doubt one of the best investments you could make for your business. Packages can be adjusted dependent on needs and tailored to budget.
