About us

Established in 1973, Noosa Lions Football Club has grown to be the largest football club on the Sunshine Coast. In 2024 there were 808 registered players, competing in 76 teams, with both male and female members aged from 5 to 70+ years old.

2024 was another highly successful year for Noosa Lions. Our FQPL3 men finished 2nd and were runners up in the Grand Final whilst our FQPL3 u23s finished the regular season as Premiers, undefeated in the regular season and runners up in the Grand Final. Our FQPL3 Women finished 2nd and made it to the Grand Final, our u23s women also finished 4th.

We also had another 6 junior and senior teams compete in the finals with our u14 boys, u15 div 1 girls and u13 div 2 girls winning the premiership and 1st division men, u13 girls, u15 div girls and Youth boys also winning the Championship. On a weekly basis the club welcome teams from all over the Sunshine Coast from as far afield as Beewah to Maleny to Gympie.

In 2025 we have been awarded a place in the Football Qld academy system for u9 - u12 boys and u11 - u13 girls. Competing at this level will involve games all around South East Qld and welcoming those clubs to Noosa every 2nd week also. We envisage our club to grow to 900 members. Your brand exposure and ability to reach thousands of Sunshine Coast residents as well as SE Qld each week is without a doubt one of the best investments you could make for your business. Packages can be adjusted dependent on needs and tailored to budget.
