

Insignia16 Ltd - Patches - Your Way

Newsletter

Insignia16

March 2024

Welcome to the March Edition of the Insignia16 Newsletter!
As spring blooms, join us for a quick dive into the latest from us here at Insignia16.

Product Pick of the Month

Thermal Transfer Print

With Thermal Transfer Printed Embroidery Patches, your design is printed directly over a 100% embroidered background giving absolute reproduction of your logo design whilst maintaining the look & feel of a traditional embroidered patch, ideal for designs with gradients or small text.

Hot Off The Press

We've partnered with MiRiCal Emblems, allowing us to suggest one of the top-performing bottom heat presses in the market.

Choose between a square or rectangular plate when ordering.

Purchase your press through us, and you'll receive a £150 credit on your Insignia16 account. Click the 'Email Now' button to inquire or place your order.
