**RE: Hoodsafer Kitemark Application**

To whom it may concern,

I am writing to confirm that Hoodsafer Yangin Söndürme Sistemleri have applied for the BSI Kitemark covering their range of Kitchen Surpression Systems in accordance with BS EN 17446:2021.

Hoodsafer Yangin Söndürme Sistemleri have undergone the required factory assessment activities and are undergoing the final testing and documentation review activities. Upon successful completion of the evaluation activities and an independent review, Kitemark certification will be issued covering the following range of products:

HS 8 Mechanical Hood Fire Extinguishing System  
HS 16 Mechanical Hood Fire Extinguishing System  
HSP 8 Pneumatical Hood Fire Extinguishing System  
HSP 16 Pneumatical Hood Fire Extinguishing System

If all outstanding activities are successfully carried out in line with the application, it is expected the certification process will be completed in July 2022.

Active Kitemark certificates can be checked through the following link: <http://www.bsigroup.co.uk/en-GB/Product-Directory/>

For further clarification please do not hesitate to contact me.

Yours sincerely,

Samuel Thwaites
