Parent Signature Checklist

Class: _____

This checklist is intended to encourage parents support to our education system. This checklist will help us to identify the problem and come up with solutions. It is our expectation that parents should spend 2-3hrs/week in helping kids with their church activity.

Activity	Date	Time spent (Duration)	Parent signature
Home work			
Prayer study			
Mezmur Practice			
Bible Reading			
Checking folder			

NB. Students will lose points for every checklist with no parent's signature. For any question please contact your child teacher.

Please help your child succeed.

Thank you
