

COOKING UP IDEAS TO FEED THE COMMUNITY

Media Release

12 Feb 2014

Food provision networks in Wangaratta are being steadily strengthened through the Community Food for All Forum (CFFAF).

And among the most recent contributors to the initiative, which aims to ensure groups work together to make best use of local resources to help those in need, was Inner Wheel's Patti Stafford.

Inner Wheel conducts regular 'cook-ups, using the Avian Park Raceway kitchen and food donations from local businesses, to prepare wholesome meals that can be served up by Wangaratta's Carevan.

Depending on the donations, the group cooks and snap freezes mashed potatoes, boiled rice, stir fries and other hearty meals.
