

AT YOUR SERVICE: Dean (left) and Blair Webb (right) were pleased to be able to donate cabinets to the Carevan Wangaratta project, which were happily received by (centre) Jo Maples from The Centre and Patti Stafford from Inner Wheel.

Handy help for Carevan

A SET of cabinets donated for the use of enthusiastic volunteer cooks who prepare meals for Carevan Wangaratta, will come in handy for the busy local service.

Cabinets by Webb donated the two new storage units to Carevan, Inner Wheel and The Centre, as part of a joint project to assist during "cook ups" for Carevan, whose aim is to provide free, wholesome meals to the disadvantaged in the community.

The Centre's Jo Maples said ladies from Inner Wheel have been cooking bulk meals for Carevan Wangaratta over the last nine months, and they have recently been involving VCAL students

from The Centre's Greta campus.

"As part of this project the ladies from Inner Wheel will now utilise the commercial kitchen at The Centre in Chisholm Street, and Cabinets by Webb have come on board to supply some extra storage to give them more room," she said.

The Carevan operates from 6pm on Monday at the corner of Burke and White Street, Tuesday at the rotunda barbecue area between Ross and Lowe Courts, and Wednesday at Apex Park.
