Volunteers and Staffing

Thank you for considering our facility for your Dry Grad event. To ensure that this special night is a fun and safe event, we ask that each event has Parent Volunteers (set up, decorate, security if needed, etc.).

Fun Park staff will be responsible for operating the attractions and customer service counters:

- Behind counters where the guests redeem their points for prizes.
- Games and attractions: Virtual Reality, Karaoke Studios, Bowling, etc.

There is a zero-tolerance policy for equipment abuse and violence in our Fun Park. The arcade and attractions will be immediately shut down and guests will be asked to leave, if any games or attractions are getting abused beyond normal use or if there are any fights or violence.

Please provide appropriate adult volunteers to ensure the event is fun and safe for everyone involved.
