

A LEADERSHIP DEVELOPMENT WORKSHOP

DEVELOP OUTSTANDING LEADERSHIP CAPACITY AND CAPABILITY ★ GROW YOUR BUSINESS ★ THRIVE THROUGH COMPLEX AND VOLATILE TIMES.

This one-day workshop is targeted at business owners, managers and team leaders who are looking to improve their leadership capabilities. Learn how to master self-leadership and how to empower, rejuvenate and re-energize your teams. This course will help you explore the extent to which you are harnessing your potential and assist you to develop focus areas that can help you lead a thriving business through these uncertain and challenging times.

- ★ 6 to 12 participants per workshop, allowing for collaborative, hands-on participation and discussion tailored to individual scenarios.
- ★ The course includes completing the Being at Full Potential self-assessment that provides insights on the deeper drivers behind your professional performance and value-creation.
- ★ Learn how to analyse the outputs from the self-assessment to help you map and reclaim dormant areas of personal and team potential.
- ★ Learn how to match your strengths with key competencies of people and teams to improve people performance and business results.
- ★ Learn how outstanding leaders act and make their own meaning of the reality as it occurs to them. This will assist in navigating through complex challenges and embracing uncertainty.
- ★ Learn about the frameworks and maps that effective leaders use for deeper learning, knowledge and meaning, increasing their own and their team's ability to meet delivery expectations.
- ★ Develop and execute a practical action plan to harness what you have learnt and deliver tangible results.

This is an engaging workshop that is rich in content and knowledge. It embraces each person's unique character and progress along their personal leadership journey.

INVESTMENT IN HUMAN POTENTIAL REALISATION PROVIDES A HIGH RETURN ON BUSINESS EFFECTIVENESS.
