Greetings,

Please accept this letter as my ardent support of Wellness for Veterans LLC and its quest for a grant to purchase a real estate property that would act as a hub for veterans' services in the Pittsburgh Area.

This project, spearheaded by CEO Steve Miller, seeks to convert unused property into affordable housing units, counseling offices, training rooms, and recreation areas for our nation's heroes. I can personally attest to Mr. Miller's ambition and dedication, as he has been in communication with me for the past few years about growing his non-profit. As a member of the Veterans Affairs & Emergency Preparedness Committee, I strongly believe in his mission to help struggling veterans rebuild their lives.

At the state government level, I will provide support to present and future projects related to Wellness for Veterans. It is my hope that my support can lead to funding opportunities through the numerous grant programs in Pennsylvania. Mr. Miller has informed me that Wellness for Veterans has obtained support from the VA, as well as other local, state, and federal officials.

Thank you for your consideration. If you have any questions regarding my endorsement of Wellness for Veterans LLC, please do not hesitate to contact me.

Sincerely yours,
