

May 27 1885

My dear Tom

Just a line from  
father and mother to wish you  
much happiness on your anniversary  
day. We are very proud of Tom and  
his little family. Dear little Mary  
Jane. How we would like to have the four

will all be together. We had a cold  
last Monday saying Arthur had a virus or  
a letter from Uncle Rob as he was ready to sail  
or Fannie came also. He and Justin may have  
gone on same boat. Homer's last letter had you  
Boston. He was out of quarantine & had lots of  
fun at taking his turns at kitchen Police and  
stable work. I hope you will write him soon.  
Stephen & Lottie come up to Lakeside June 17.  
The hardware Co. is at Cedar Point - 18<sup>th</sup> 19<sup>th</sup> 20<sup>th</sup>  
Kittie & Dorothy will have collage open. Mildred  
& Lois come up with them. Lottie & girls will  
stay 3 weeks. Stephen can only be gone 10 days &  
we shall be glad to see them. We are busy getting  
house cleaning done. Have new bath furniture  
Much love Father & Mother
