Dear Tom,

To begin with I am going to wish you and the folks a very happy Easter.

Easter is indeed a reawakening and what with the robins and budding trees makes me think of spring and the country. Some time ago I wrote to Homer and I wonder if he got

my letter and passed on
its message to you. The object
of it was to ask either or
both of you to come up here
when you feel like it next
summer to try a little
fishing. The best time for that
is June, that's when the
flies are good too. Anyway
I should be delighted if you
could come up to our camp
in the hills and take a
chance on the pike trout.

I understand you are apt to
take a trip or trips to Montreal
most any time and we
should be delighted if you
could give us a ring.

I trust you are all well
and passed a good winter.
We had our dose of grippe
up here. Beside that John
sprained his ankle rather
badly and was obliged to have
it reset in a cast a second
time.

I am ~~also~~ glad to report that
John is the proud Father of another
little girl. His wife, Anne,
returned to Three Rivers today.

I hope you will be able to
come up and so with many
more wishes for Easter which
made me think of spring, country
and fishing, I close.

Your affectionate cousin,
Alfred.
