CLEVELAND, OHIO

Dear Tom and Dee:

We trust that Tommy came through in good condition after his swing around the mid-Western circle. We enjoyed his visit greatly, as we always do. I am only sorry that I had to go out of town on his last day here, but I judge that he and Marion found enough interesting things to do.

Perhaps Tommy has told you of our intended visit in the East. We will be leaving next Sunday for Washington, and plan to make a couple of appointments in Philadelphia for the Tuesday following. If it would be quite convenient, we might be able to make Short Hills by dinner time and remain over night. After a couple of days in New York we hope we may have a night in Bronxville, then swing north to Saranac for a day or so with Bill.

He sends us good news of his general comfort and gain in weight, so he seems well started on his cure.

Affectionately,

Wiel.

Dear Will and Marion:

Tommy arrived home safely as per schedule and with enthusiastic stories of all his stops. We appreciate your part in making his trip so enjoyable. Tommy is writing a letter to Aunt Marion so I am enclosing this letter with his.

We are delighted to hear of your intended visit in the East and to know that you are planning to be with us next Tuesday, the 20th. This will work out fine for a little gaiety on the occasion as a few of our friends are stopping in that evening for cocktails and we are going over to "The Brook" near by for dinner and a little dancing, so we trust you will not arrive too tired to join with us on an evening of pleasure. We will be wearing "tax" but I presume you will have yours with you any how. A number of people will be there that you met over at the Cauley's.

We are pleased to note the good progress being made by Bill.

Affectionately yours,
