

Town of Florida Community Workshop

Municipal Vulnerability Preparedness &
Hazard Mitigation Plan

**10 to 2 PM – Florida Senior Center
Saturday, March 15, 2025**

ARE WE PREPARED?

The Town of Florida has received funding from Massachusetts' EEA and MEMA to complete a Municipal Vulnerability Preparedness and Hazard Mitigation planning process. Completion of these plans qualify the town for Action Grants which support towns to begin planning for climate change and implement projects.

WORKSHOP TOPICS

Identify strengths and vulnerabilities in our town

Share thoughts on what the town can do to prepare

Learn about potential hazards and how they may impact the town and your property
