Testimonials

“With Kluwer Arbitration’s refreshed interface, I am successfully able to access the enriched information I need across all international arbitration areas in a simple, easy way. The solution is thorough, very user-friendly and a must have for any practitioner in the field.”

Alexis Foucard

Counsel at Clifford Chance LLP

“In today’s world, access to objective, data-driven information is ever more critical for transparency and understanding, yet it often remains a challenge to obtain such reliable data. The different tools developed by Wolters Kluwer are a timely and welcome contribution to enhance transparency in the field of international arbitration by allowing easy access to information that will help users make informed choices.”

Jan K. Schäfer

Partner at King & Spalding, Frankfurt, head of dispute resolution in Germany, and an arbitrator
