CCH PrimeTax® Tax & Accounting Online Research Platform

CCH PrimeTax® is a powerful and constantly updated Tax & Accounting online research platform with a comprehensive coverage of legislation, cases, commentary, professional articles, and news updates. PrimeTax® enables Tax & Accounting professionals to navigate China and Hong Kong's complex legal and tax environment. Whether you are an Accountant, Tax or business professional, librarian, professor, or student, the platform provides you with a fast, accurate, and timely information research tool to meet your needs for authoritative information.

All the information you need for making the right decisions, staying ahead of emerging changes and managing risks is gathered into one single platform, and through interactive quick access links via CCH® ProSystem fx® Engagement.

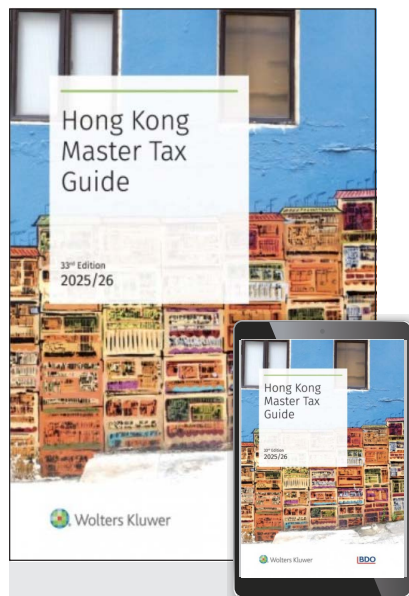

Featuring our Mater Tax Guides® Series and get a complete view of new developments and access comprehensive, authoritative contents related to your practice.

Our professional commentaries are updated regularly by leading experts from different fields. It provides multi-angle interpretations on topics relevant to corporate compliance, finance, and taxation, and offers practical compliance solutions to help users reduce operational risks.

For example, analysis of various practical issues from company establishment, Accounting, Audit, Tax, Company Secretarial Practice to Employment Law, with reference to the Companies Ordinance (Cap 622), the Inland Revenue Ordinance (Cap 112), the Employment Ordinance (Cap 57), PrimeTax® helps users to build more confidence in supporting their clients and during their decision-making and achieve effective operation.

Stay on top of your tax & accounting matters so you can spend more time making business decisions, rather than searching for answers. Wolters Kluwer helps professionals interpret complicated tax law so that you can stay ahead of your competition and can advise clients with confidence. Check out the below updates titles published and our flagship online subscriptions.

China Master GAAP Guide 12th Edition

Patrick P H Ng, Ng Eng Juan, Chris Lau

 **Print** | ISBN: 978-988-76171-1-2

 **Book Code** | 2101H

KEY FEATURES & INCLUSIONS

The *China Master GAAP Guide* has long enjoyed a reputation for being the indispensable handbook on accounting and auditing practices in China. The latest *China Master GAAP Guide 12th Edition* provides comprehensive and up-to-date commentary on China's Accounting Standards for Business Enterprises (ASBE) along with detailed explanations, applications, and worked examples for each of the 42 Specific Standards issued by the Ministry of Finance.

Coherent with the development of the IFRS (IFRS 16 Leases), the amended ASBE 21 Leases introduces a single lessee accounting model and requires a lessee to recognise assets and liabilities for all leases with a term of more than 12 months, unless the underlying asset is of low value. The book also includes a brand-new chapter to fully explain the new requirements of the amended ASBE 21. Moreover, it also covers the requirements of the amended ASBE 7 Exchange of Non-monetary Assets and ASBE 12 Debt Restructuring in detail.

Hong Kong Listed Companies: Law & Practice 2nd Edition

Julia Charlton

Print | ISBN: 978-988-79356-5-0

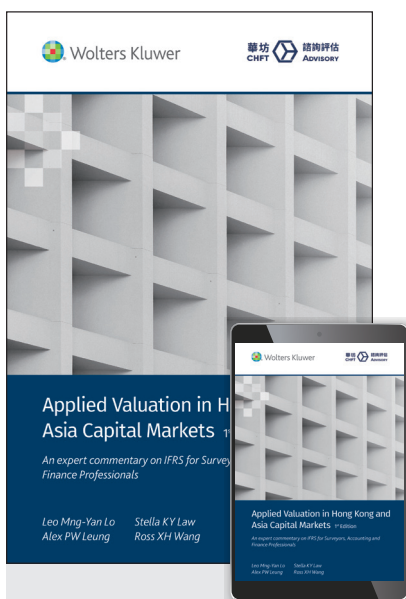

Book Code | 2082H

KEY FEATURES & INCLUSIONS

Hong Kong Listed Companies: Law & Practice 2nd Edition works its way methodically through the SEHK's many provisions for regulation and compliance. It is a volume of depth and substance which sets the standard for financial industry reference books.

The new edition delivers up-to-date commentary in relation to the Hong Kong Listing Rules:

- ✓ Sponsor regulatory regime introduced and the major listing reforms in which added three new chapters (Chapter 8A, 18C and 19A) to the listing rules aimed at attracting the listing of Pre-revenue Biotech and Innovative Companies, including those with Weighted Voting Rights (WVR) structures and providing a new secondary listing route for companies primary listed on certain Qualifying Exchanges.
- ✓ Listing reforms in 2021 – covering the listing regime for overseas issuers, Special Purpose Acquisition Companies (SPAC), the SEHK's new Corporate Governance Code and the new requirements in relation to Environmental, Social and Governance (ESG) – are also highlighted.
- ✓ How to handle ongoing obligations on listed companies under the Listing Rules.
- ✓ Ongoing obligations on listed companies and their shareholders under other legislation, primarily the *Securities and Futures Ordinance Cap. 671* (such as market misconduct, insider dealing, and disclosure of interests).
