

### PATHWAYS MODULAR EXAMS - OCTOBER 2024

The timetable below gives a guideline of suggested dates for submission of distance learning assignments. The dates allow time for each assignment to be marked before the next assignment is submitted and for all assignments in each Unit to be completed. These dates are NOT deadlines (but just guidelines to help create an evenly spread period of study) and assignments submitted before or after these dates (except for the final deadline) will still be marked.

The final deadline for submission of assignments is 20th September 2024.
