Throughout the year, Ottawa Islamic School (OIS) will capture images of students involved in school life. These images, taken in an educational context or at public events held in association with the school, may be used to promote the school and its activities through various publications—including our weekly e-newsletter, the school website, yearbook, and social media feeds.

If Ottawa Islamic School wishes to feature a student's individual image in advertising or marketing material, the school will contact the parent/guardian in advance to request consent. If you have any concerns regarding the use of such images, please contact the school.

In consideration of the Student’s enrollment at the School, along with the mutual covenants and agreements contained herein, the receipt and sufficiency of which are hereby acknowledged, it is hereby agreed as follows (the “**Agreement**”):

1. This Agreement applies to the academic year commencing on September 1, 2025 and ending on June 30, 2026.

The Parent agrees that the Student’s enrollment will be considered incomplete until: (i) all forms are signed by the Parent and submitted to the School, including this Agreement; (ii) the registration fee is paid; (iii) all outstanding fees owing to the School have been paid; and (iv) the School’s Principal has provided confirmation of the Student’s enrollment.

5. The Parent will complete all supporting documentation as required in the School’s “Registration Form”.
6. The Student’s first three (3) months of enrollment shall constitute a probationary period (the “**Probationary Period**”), during which time the School will assess the Student’s adherence to the School’s policies, procedures, mission, and values. Should the School not be satisfied with the Student’s conduct, in its sole discretion, the School may expel the Student without any further obligation to the Student or Parent.

Any Parent concerns, grievances, or suggestions must be brought to the School's administration before being brought to any other court or tribunal.

### **Frequently Asked Questions (FAQs)**

- 1) **Question: Can I switch from a 10-month payment plan schedule to a 12-month payment plan schedule after I have started paying?**

**Answer:** No. Once you have chosen a payment plan schedule and you have started to make payments, the School will not allow you to make a change.

- 2) **Question: If I have one child in High School and a second child in Elementary School, how come I do not receive a discount on the elementary school child, even though I technically have two children enrolled in the school? Am I not entitled to a sibling discount?**

**Answer:** The short answer is, no. You are not entitled to a sibling discount. The reason is that the three “Schools” (Kindergarten, Elementary and High School) do not offer cross discounts on other grade levels, but only additional sibling discounts within the same grade school.

- 3) **Question: If I enroll my child in the middle of a month, and I have a monthly payment plan, am I obligated to pay for only half the month or the whole month for the first month of enrollment?**

- 4) **Answer:** The School does not prorate monthly fees. If you are on a monthly payment plan and you pay on the 1st of the month, whichever date in the month your child enrolled, the School is entitled to a full months’ worth of tuition and school fees for that first month and all other consecutive months until the end of the date stated in the payment plan chosen.

- 5) **Question: Can I withdraw my child at any time and obtain a refund?**

**Answer:** No. Once tuition fees have been paid, the School **DOES NOT REFUND FEES. The School does not also refund registration fees, capital levy fees, resource fees and all other fees once paid.** However, for tuition fees that have not been paid (i.e. will be payable pursuant to a payment plan), parent(s)/guardian(s) can submit withdrawal notice, in writing, to the School’s finance office, **IN PERSON, 60 DAYS BEFORE THE WITHDRAWAL DATE.** However, all withdrawals will still incur a charge of two (2) months’ tuition fees. If written notice is not provided, two (2) months of tuition fees will be forfeited in lieu of notice. This policy also applies to all withdrawals initiated by the School.

Furthermore, any parent(s)/guardian(s) who withdraw a student after February 28, 2026 will be responsible for the remaining tuition fees and school fees due for the rest of the school year. For

clarity, the two (2) month withdrawal notice will not apply to any withdrawals after February 28, 2026.

**6) Question: Why does the School have a no withdrawal policy after February 28, 2026?**

**Answer:** As a non-profit charity, the School has a set objective of supplying quality education to Muslims in Ottawa at a reasonable price. The School cannot afford the loss of revenue near the end of the school year and the loss of the flexibility of being able to plan and manage class sizes, and the required level of staff needed to fulfill its obligations. The School tries to find a fair and just balance by giving parents the flexibility to withdraw while also protecting the School's own operations; because of this, the School will not allow any parent to withdraw their children after February 28, 2026 and obtain relief from the remaining tuition fees that are owing. A parent can, of course, decide to take their children to another school after February 28, 2026 but they will owe an amount outstanding to the Ottawa Islamic School. Parents should know that it is imperative to plan ahead, respect and follow, as Muslims should, their agreed and signed contracts. Parents who fail to meet the terms and conditions of the Parental Agreement with the School hurt the School's cash flow and operations.

**7) Question: Can I opt out of late pickup fees?**

**Answer:** No. When signing the pre-authorized debit form (which is included in the registration package and must be signed), you are authorizing the School to charge these variable fees as incurred. The only option to make sure that the School does not automatically charge the late pickup fee is to pick up and drop-off your child at the appropriate times.

**8) What is capital levy and why do I have to pay it?**

**Answer:** The capital levy fee is a separate fee charged to parent(s)/guardian(s) for the School's capital items (building, equipment, etc.). When you pay your tuition fee, you are helping cover some of the operating cost of the school (salaries, utilities, paper and other necessary school supplies, janitorial expenses, etc.). The School must maintain the actual building of the school (roof, windows, electrical, plumbing, etc.) and the major equipment that the school building needs to operate (furnace, water heater, boiler, water filtration systems, air conditioners, etc.). The tuition fees and other school fees are simply not enough to address the capital requirements of the School. Therefore, the capital levy is a dedicated revenue source which allows the school to budget and separate funds for the specific purpose of making sure the School building and surroundings are in a state of good repair and offer a safe environment for Muslim youth. The tuition fees alone do not cover the full cost of operating the school.
