

SERMON TOPIC: GRACE RECALIBRATION

SERMON OUTLINE

So what exactly is Grace?

Simply put, grace is the undeserved, unearned and undeserved favour of God to mankind.

What we need today are not more laws to govern believers. What we need is a greater revelation and appreciation of Jesus and everything that He has done for us!

KEY POINTS

1 Cor 15 v 56

2 Cor 3 v 7

John 1 v 17

The law always ministers condemnation.

Grace, on the other hand, always ministers righteousness.

Romans 6 v 14

His grace is cheapened when you think that He has only forgiven you of your sins up to the time you got saved, and after that point, you have to depend on your confession of sins to be forgiven. God's forgiveness is not given in instalments.

Knowing and accepting that you are completely forgiven destroys the power of sin in your life.

Romans 5: 1 & 2

Ephesians 2: 4 – 9

The law justified no one and condemned the best of us, but grace saves even the worst of us. Yet, there are still people today trying to 'work it'.

Some will say that grace only shows up in the New Testament but that is not true. Grace has always existed. It is part of who God is. It has always existed because it is a characteristic of God and He is the same yesterday today and forever.

Knowing and accepting that you are completely forgiven destroys the power of sin in your life.

And do not be conformed to this world, but be transformed by the renewing of your mind, that you may prove what *is* that good and acceptable and perfect will of God.

Prov 23 v 7

As a man thinks in his heart, so is he.
