## **Variance Marking Terms & Conditions**

### **VARIANCE MANUFACTURING**

Freedom Forge Armory LLC warrants that it will perform the manufacturing operations in a good, professional, and workmanlike manner, and will promptly notify the Buyer of any delay or defect in the manufacture and supply of the Products. Freedom Forge Armory LLC warrants that the products will be manufactured and supplied in accordance with accepted industry standards and practices, the approved ATF Form 3311.4, and in compliance with all BATFE regulations.

Freedom Forge Armory LLC warrants that the Products will be free from all substantive defects in workmanship for a period of 1 year from the date of shipment. This warranty does not apply to any Products that are damaged due to misuse, abuse, alteration, improper assembly, negligence, rough handling, illegal activity, or storage condition of any party other than the Supplier.

Freedom Forge Armory LLC will not be held liable for damages to Products caused by the shipping company while in transit. Freedom Forge Armory LLC may remedy these damages in a manner of our choosing.

Freedom Forge Armory LLC makes no other representations or warranties, whether expressed or implied, and expressly disclaims any implied warranty of merchantability, or fitness for a particular purpose.

### **PAYMENT**

Full payment is due at the time the order is placed.

### **PARTIAL ORDERS AND SHIPMENTS**

Freedom Forge Armory LLC does not ship partial orders. The full order will be shipped upon completion.

### **VARIANCE MANUFACTURING RETURNS AND REFUNDS**

Receivers and Silencers manufactured on a marking variance application are not eligible for return or refund. Substantive defects to finish and / or dimensional tolerances may be remedied in a manner of our choosing. A refund may be granted for products that have not been manufactured, less the cost of the raw materials.
