My flat

I live in a new flat in London. It's small but comfortable. It has two bedrooms, a living room, a kitchen and a bathroom, of course.

In my bedroom, there is a big window, a desk, an armchair and my bed, naturally!

In the living room, there is a carpet and I have a small table, a television, a lamp and a sofa.

In the kitchen, there is the sink, the fridge, the oven and a big cupboard. I don't have a microwave oven.

I like my flat very much!
