

Over the years, Civics for Adults has presented in many venues. Most often, libraries sponsor workshops, but other groups, like the League of Women Voters and other private organizations have also been supporters. Following is a list of sponsors. Keep in mind that for many of them, if not most, these libraries/organizations have funded multiple workshops. Shout out to Hillsboro PL in Oregon, which has sponsored too many to recollect [more than 12!].

Bethany
