

ECB Junior Cricketers playing in Adult Matches

Introduction:

The ECB has issued the following guidance covering the participation of young cricketers in adult matches. This guidance applies to boys and girls and any reference to he/his should be interpreted to include she/her. Age groups are based on the age of the player at midnight on 31st August in the year proceeding the current season.

Guidance:

Hythe and Dibden Cricket Club recognise that they have a duty of care towards all young players who are representing the club. This duty of care also extends to Leagues that allow the participation of young players in adult teams in their League. The duty of care should be interpreted in three ways:

- Not to place a young player in a position that involves an unreasonable risk to that young player, taking account of the circumstances of the match and the relative skills of the player.
- Not to create a situation that places members of the opposing side in a position whereby they cannot play cricket as they would normally do against adult players.
- Under 18's will not umpire in any league matches.

In addition the following specific requirements apply to young players in adult matches:

- All young players who have not reached their 18th birthday must wear a helmet with a faceguard when batting and when standing up to the stumps when keeping wicket. Parental consent not to wear a helmet should not be accepted in adult matches. A young player acting as a runner must also wear a helmet even if the player he is running for is not doing so.
- The current ECB fielding regulations must be adhered to and enforced by the umpires and captain. The umpires are empowered by these fielding regulations to stop the game immediately if a young player comes within the restricted distance.
- The umpires and the opposing captain must be notified of the age group of all players participating in an adult match who are in the Under 19 age group or younger even if the player is not a fast bowler. This requirement also covers any young player taking the field as a substitute fielder.
- Any player in the Under 13 age group and younger must have explicit written consent from a parent or guardian before participating in adult matches. Clubs must ensure that their player registration procedures ensure that consent is obtained.

- The guidance related to changing and showering (see club policy and 'Safe Hands' – Welfare of Young People in Cricket Policy) must be adhered to.
- Any club wishing to play a player in the Under 11 age group in an adult League or Cup match must obtain the explicit prior approval of the League or Cup management before the player can play. Approval should only be given to exceptionally talented players. It is recommended that advice is sought from the County Age Group Coach or other ECB Level 3 coach as appropriate.

Clubs and Leagues can apply more strict restrictions on the participation of young players in adult matches at their discretion.

It is strongly recommended that a parent, guardian or other identified responsible adult is present whenever a player in the Under 13 age group or younger plays in an adult match. This could include the captain or other identified adult player taking responsibility for the young player.

Tony Woodhouse Competition:

The Tony Woodhouse Trophy was set up in 2003 with the focus being to introduce colts into adult cricket.

This competition is played annually between 4 local clubs. The competition has helped introduced colts into playing adult cricket in a safe and supportive environment with many of our adult's members having participated.

With this in mind Hythe and Dibden Cricket Club will seek permission from parents/guardians prior to discussing with any colts. Selection will be determined on an individual basis, depending on the player's ability and stage of cognitive and emotional maturity to take part. The most important considerations are the safety of all participants and the individuals desire to participate.

No player who plays in the County Divisions 1-4 will be allowed to play in the competition excluding colts (U17's & below). Each team should consist of at least 6 colts. Colts will generally be selected from under 13's, under 15's and under 17's.

If the captain wishes to select an under 11 player they must seek permission from parent/guardian and discuss with the under 11's coach to seek their opinion on the individual's ability to participate.

There will be a maximum of 2 under 11's players in any Tony Woodhouse side to ensure the adults playing can provide the support and encouragement required.

Fielding Regulations:

For reference, the ECB Fielding Regulations are as follows:

- No young player in the Under 15 age group or younger shall be allowed to field closer than 8 yards (7.3 meters) from the middle stump, except behind the wicket on the off side, until the batsman has played at the ball.
- For players in the Under 13 age group and below the distance is 11 yards (10 meters).
- These minimum distances apply even if the player is wearing a helmet.
- Should a young player in these age groups come within the restricted distance the umpire must stop the game immediately and instruct the fielder to move back.
- In addition any young player in the Under 16 to Under 18 age groups, who has not reached the age of 18, must wear a helmet and, for boys, an abdominal protector (box) when fielding within 6 yards (5.5 meters) of the bat, except behind the wicket on the off side. Players should wear appropriate protective equipment whenever they are fielding in a position where they feel at risk.

These fielding regulations are applicable to all cricket in England and Wales.
