

Hythe & Dibden Cricket Club

Colts information pack for the 2024 season

Dear Parent or Guardian,

Welcome to the start of the 2024 Season!

Hythe and Dibden Cricket Club welcome you and your children to the club. We hope that your child(ren) will enjoy being a club member and will enjoy the cricket coaching, training, and matches, as well as the social events available at the club.

This pack will provide you with information about our activities and the policies we have in place as a Club. This season there will be four Colts age groups: under 9s, under 11s, under 13s and Under 15s. As well as 4 colts sides we will be participating in All Stars and Dynamo. All Stars Cricket and Dynamo is an initiative from the England and Wales Cricket Board (ECB) aimed at providing children aged five and above with a great first experience in cricket.

Full details of club policies are available through the club website:

<https://www.hythe-dibdencricketclub.co.uk/> You may also wish to follow us on Twitter

(@hythedibdenCC), Instagram (@hythedibdenc) or 'like' us on Facebook at

www.facebook.com/HytheandDibdenCC; we will use social media as well as the club website to provide information and updates for all members.

In 2022 Hythe and Dibden Cricket Club were re-accredited by Hampshire Cricket Board and retained their ECB Clubmark Award. This is an accreditation scheme for all clubs with junior sections. We adhere to the 'Safe Hands' policy for Safeguarding Children in Cricket. All of the adults at the club who work with children and meet the necessary criteria are vetted by the ECB. This includes the enhanced DBS and 'Barred List' check. Clubmark accreditation is an acknowledgement that we take these issues seriously and that we are striving to provide a high quality and welcoming environment for young participants in cricket. As part of Clubmark, if any prospective member is in financial difficulty the club will look to assist with any fees associated with joining and playing. Please contact the club safeguarding officer, Dawn Bowman, for more information.

We encourage you to take time to read all our policies which can be found on the Clubs website

Parents are welcome to attend all training sessions and competitions, we value your support. If you are unable to stay for training or attend games then please ensure you make arrangements for picking up your child. We will not let under 9's or 11's leave the vicinity without a responsible adult coming to collect them in person. If you are happy for members of the under 13's and 15's teams to leave without an adult collecting them, please note the club cannot take any responsibility.

We are keen to try and involve parents in the club, as we are a club which is solely run by volunteers. If you are able to support the club in any way please let us know.

We would be grateful if you could complete the annual colt membership form which can be found on our website. For the safety of your child it is important that the club is informed of any medical condition or allergies that may be relevant should your child fall ill or be involved in an accident at the club.

Whilst we hope your child/children will be happy at the club, we understand that sometimes questions, concerns or difficulties arise. Please feel able to raise these as soon as possible, so we can rectify things at the earliest opportunity. If you have any questions regarding coaching please approach the coach in the first instance. If this matter is regarding the welfare of your child then please contact Dawn Bowman, Safeguarding Officer.

To promote a welcoming environment in the club we have developed a feedback form for colts and or parents to use. The aim of the form is to be able to provide feedback on any of the training sessions or games any under 18 year old participating in over the season. This form is anonymous and can be completed at any time. Once submitted it will be sent to the Safeguarding Officer. The form can be found on our website in the documents and forms section

If you would like to talk to someone at the club about this information or your child's involvement with the club, please contact the Colts Manager for your child's age group or any of the contacts below.

We do hope that you and your child/children are enjoying being a member of Hythe and Dibden Cricket Club and are looking forward to the upcoming season as much as we are!

Best Wishes

Colts Team Selection:

The selection of any colts' side is undertaken by the manager and/or coach of that particular age group. On the whole, selection is done on a number of different factors and these are decided by the coach. Factors can include ability, time that a player has been at the club, conduct and behaviour in training sessions and matches. It is important to note, particularly with younger age groups, that children who are new to the club are unlikely to participate in league cricket. This is because of the amount of time required for coaching the various skills required to play. Every child will have match experience, whether this is through games arranged in training, friendly matches against other clubs, or league games.

Please remember that all coaches and managers are volunteers and give up their free time for the benefit of the club. The club will back any decisions around selection taken by the manager and coach of a colt's side unless it can be shown that their decision goes against the club's own policies. .

Please note all our coaches have an updated DBS.
