

## Reports for AGM 1st February 2025

### Safeguarding, Social, All Stars & Dynamos 2024 Season

#### **Safeguarding Officer:**

Safeguarding: no incidents to report during the 2024 season.

DBS: All captains, vice captains and coaches had DBS checks completed and all positions accepted on the Safehands System for the 2024 session. Thank you to all those who contribute to making cricket and our club welcoming for all. It's great to see so many of our colts playing adults cricket.

Club Mark Accreditation: the club had its 'annual health check' in 2024 and maintained accreditation by being:

- Complaint on the safehands system - all captains, vice captains and coaches having a current DBS
- Submission of AGM minutes
- Adoption of the updated Safeguarding Policy - this has been accepted by the committee and signed by chairman and safeguarding officer.
- Submission of club development plan

We are due to have our Club Mark Accreditation in 2025 and are awaiting details.

#### **Social Events:**

The 5th Luca Roberts Memorial game took place in early May. Thank you to all those who played and made the day a great success.

Woody's Memorial Day was a paused for 2024 due to Saints reaching the play off finals.

Annual fete - was a massive success. Great to see so many people down at Jones Lane and thank you to everyone who helped. A great money earner for the club. This year's fete is Monday 26th May 2025. If you are able to support in any way please let me know. as planning is underway. As you hear we need to make sure the fete is a great success to support the club financially.

It was great to have Plus One and Karaoke in the club house. Firework night returned and was a great success. Also great support from the darts section and Hythe Atez which has helped support the club this year.

#### **All Stars & Dynamos:**

All stars returned with great numbers following lower numbers in 2023. It was great to see so many families down the group on a Saturday morning. We are definitely seeing the benefits of all the national programmes with all our current under 9's progression from All Stars. Many thanks to Ian, Sarah, Simon, Dan and Elizabeth for all your support.

Dynamo's went ahead with only 6 attending which was hard work but lots of fun. We are registered to run both programmes again in 2025. We need volunteers to help with both programmes. Please let me know if you are able to help in any way. Thanks!
