

Hythe & Dibden Cricket Club

Welcome to Hythe and Dibden Cricket Club and the 2025 Season!

Hythe and Dibden Cricket Club welcome you and your family to the club. We hope that you and your family enjoy being a club member and will enjoy the training, matches, as well as the social events available at the club.

This season there will be four adult Saturday teams, Sunday teams, a T 20 side entering the Slam and 5 Colts teams, All Stars and Dynamo.

The club as it is known today was formed in 1948 after two clubs amalgamated. The Hythe Club which was formed in 1860 and in those days played in a park belonging to the President a Mr. J Selmes. The Dibden Purlieu Club originated in Watermans Lane 1919 and moved to Langdown Lawns in 1934. After the war they had to move to the Power Boat Ground because of bomb damage to their own ground in Langdown Lawns. But soon they were approached by Hythe & Dibden Sports Club to amalgamate. The newly formed Hythe & Dibden Cricket Club moved into its home in Jones Lane after the amalgamation in 1948.

Low Level Concern Reporting:

Low-level concerns, sometimes called poor practice, are small rule breaks that breach our code of conduct or behaviour that falls below what is required by Hythe and Dibden Cricket and the ECB.

A low level concern is something you have observed/been told about that you feel needs recording because:

- it may need to be shared with other volunteers / parents / professionals
- where action was taken to deal with the concern/incident
- no action was taken but the concern needs monitoring in case action needs to be taken

To support the reporting of low level concerns we have created a Google form. Please use this form to share any concerns - no matter how small or seemingly insignificant, that an adult may have acted in a manner which is not consistent with ECB Safe Hands Guidance and our club and coaches Code of Conduct.
