

May 8 2023 Tree Committee

Tree Committee: Committee met on May 8th 2023, and discussed mowing at Volunteer Park on Rees Road , west Pemberville. This is the area that Stephanie Miller with ODNR uses for training as a kind of “tree school” for other communities. The Committee discussed and reviewed the Arbor Day Celebration on at the preschool last week, May 4th. We discussed a homeowner located on Hickory St that has requested a tree be planted to shield the Municipal Bldg from their view. We on the committee will be meeting at Volunteer Park on Wed May 17th at 6:30pm to do some weeding around the trees where Stephanie Miller holds Tree School. The Tree Committee has scheduled the next two meetings for June 12th and July 10th.
