Sarah is working on spreadsheets with bar graphs for ease of understanding the finances of the Village.  
Many positive comments for Sarah

Discussed the training of lifeguards at Pemberville, so pool will fill early.

Discussed angling off the concrete at the pool. Received a discount of approx.. ½ from concrete delivery

Permissive Motor Vehicle Tax will be published on your car registration per Kirkbride. Discussed that of the \$15.00 that is currently on the registration the county gets \$12.50 and the Village \$2.50. It is possible that the additional \$5.00 per tax will be returned to the Village at 100%. So if all 3 taxes available to be levied would bring an additional \$15.00 per vehicle to the Village.

Meeting adjourned at 6:43pm
