

Safety Meeting Minutes

Date: 10-4-2024

Time: 4:10pm

Members Present: Mayor Carol Bailey, Chief John Vaughn, and Councilman Daniel Angel

Members Absent: Larry Titkemeier

Issue:

1. Chief stated that there are some questions surrounding cases be billed to the Village by the Village Prosecutor. These cases appear to be Wood County cases, and the county may need to be billed. There will be more investigation into this matter.
2. Chief shared his desire to replace outdated body cameras. Chief was informed that the current body cameras are obsolete and cannot be replaced or repaired. This info comes from the manufacturer of the current cameras. Chief will retrieve quotes, and the Village will look for grants that may help purchase new cameras.
3. There was discussion concerning complaints about speeding in the Village. Chief stated the department was running radar in prime locations and has not caught any speeders.

Adjourned: 4:40pm.
