Home Occupation- An accessory use which is an activity, profession, occupation, service, craft, or revenue-enhancing hobby which is clearly incidental and subordinate to the use of the premises as a dwelling. In all residential zoning districts, home occupations shall be conditional upon review and approval by the Zoning Board of Appeals provided:

a) no offensive noise, vibration, smoke, dust odors, or glare shall be produced and no mechanical equipment is used except of a type that is similar in character to that normally used for purely domestic or household purposes.

b) does not involve any extension or modification which alters the outward appearance as a dwelling unit, with the exception that one (1) non-illuminated commercial sign does not exceed one (1) square foot in total area and may be affixed to the exterior of the dwelling.

c) the activity is conducted entirely within the dwelling, and does not involve an area of more than 20% of the floor area.

d) a home occupation shall provide off-street parking area adequate to accommodate all needs created by the home occupation in addition to the requirements for the dwelling. Required off-street parking shall not be permitted in the front and side yards of the dwelling, other than in a driveway.

e) no more than one (1) person other than members of the family residing in the dwelling, shall be engaged in a home occupation.

f) the Zoning Board of Appeals may prescribe any additional conditions to preserve the residential integrity of the dwelling and/or neighborhood.
