

Tree Comm Meeting September 18, 2023, 7:00pm

Present John Lockard, Carl Lohrbach, Cindy Lohrbach, Melissa Sapp, Terry Nigh, Ruth Phillips, Roland Forrester, and Jeffrey Kirkbride.

Old business –

Condo on Hickory St asked for trees to be planted to block their view towards the west of the Municipal building. John Lockard found that, instead of planting trees, the materials for a 10-foot extension of the existing fence is approximately \$360 at Home Depot. John said he can use his own concrete. Not required by us, just information.

New business –

discussed 1. Carl/John visitation to Lindsey Ohio [took a look at their ordinance and also their information guide to village citizens found at their Post Office].

They met with their town tree chairperson and discussed how Lindsey moved forward. [They looked at the information guide to village citizens that they found posted at Lindsey village Post Office]. All Pemberville Tree Committee members are asked to review these before our next meeting.

We discussed 2. Putting together Pemberville tree commission pamphlet, Who we are, what we do. Make it available to residents.

We discussed 3. Value of a Tree from Tree City USA (pamphlet #28) [from Tree City website about placing a value on trees] --- Suggestion to submit this Pemberville Village council.

Decided to 4. Purchase and plant the 10 trees in Step One of our Master plans. October. From North Branch nursery.

Could only get one local quote!

5. Workday set for Thursday Sept 28 5:30 pm North Electrical Substation. Chip day is set for Monday Oct 2. (a trimming workday agenda before tree-chipping day) (John L).

6 Next meeting Oct 9 (Monday) 7 pm Village Offices.
