

Tree Committee

September 22 2022

Present : Ruth Phillips Terry Nigh, John Lockard, Jeffrey Kirkbride

(Javier , Cheryl Sharp, Keith M are not present)

a) Discussion of The Tree in front of 210 Vine St (Deuble) Tree roots,

- John L suggests we put gravel under the cement to level it.

b) Discussion of the 14 stump holes (6 stumps are down now and 8 need grinding needed after the tree is down) We as a village need to fill in all 14 of these.

c) At the North Water plant 15 trees need mowing for 10 feet radius around; ODNR will check (Stephanie Miller)

d) Discussion of the needing 30 Carly's Kids Corner workbooks about trees to the preschool students at Bethlehem in October (as an outside activity)

e) Some samples of Oak Wilt from the SW corner of Perry and Oak have been sent to get tested.

f) Arbor Day Celebrate at Day Care School at Bethlehem church in April 2023

g) Committee said it's ok for the plan for Tom O to put in the trees at Pem Grove for free.

Here is the list of new trees:

Ten New trees for Pemberville Boulevards

Species to be purchased from North Branch nursery :

Each with 1.75 inch diameter trunks... One each of the following 8 trees: Turkish Filbert, Swamp White Oak, Tulip tree, **Espresso JFS Kentucky** Coffee tree, Bald Cypress (8' tall) , **October Glory** Red Maple, **Ballista Fall Fiesta** Sugar Maple, **Autumn Fantasy** Maple; And two trees of Cornus kousa white flowering dogwood (2) (with 1.5 inch diameter trunks)

Location of the new trees, to be planted 2023.

449 Pine St, 453 Maple St, 218 Perry St (at Oak)

318 Perry St (at Hickory), 105 Cherry St, 115 Main St (by Townhall)

214 Hickory, 449 Oak St, Between 503 & 507 W Front St

115 E College Ave (2 Dogwoods)

Two quotes: \$3450 and \$2710

We recommend we take the lower price quote, which is from North Branch nursery.

This (and the species chosen) complies with the Master Plan established by Steph (ODNR) and tree commission - June 2022

Next is October 13, 2022 7 pm At Village Office
