

## Personnel and Finance Committee Minutes

November 4., 2025

We started the meeting at 6:00 p.m. In attendance were Pat Rollins, Mayor Bailey, Bob Schacht, Jeffrey Kirkbride, Chief Vaughn, Eric Campbell, Ed Wozniak and Sarah Dyer Abbott.

We looked at the spread sheets Sarah created for temporary appropriations for 2026. Sarah explained a few items and answered questions. The committee will individually go over the spreadsheets and have questions and input for the next Finance meeting.

We will start working on a 2026 Wage Ordinance for the next meeting.

It was suggested that Personnel and Finance be separated into separate committees. We simply do not have the time to cover both adequately in one hour.

We discussed the hiring of a Village Administrator. We looked at financials and how this position could be funded. We talked about the duties that an administrator would cover and how we would coordinate an Administrator who would also work with water, electric, sewer and streets employees to help with the needs in those departments.

We plan to hold several special personnel meetings to talk about the position in greater detail before sharing with the full council or moving on an ordinance.

The meeting adjourned at 6:53 p.m.
