

February 25, 2026 - Safety Committee Meeting – DORA Discussion

Present: Mayor Bailey, Chief Vaughn, Susie Rahe, Ed Wozniak, Gavin Shank and Brett Neff, owners of Front Street Café, and David Olivarez, owner of Casa Rio.

The purpose of the meeting was to engage the qualifying liquor permit holders in discussion regarding their interest in and perspective on establishing a DORA within the Village.

Discussion included:

- General support and interest in establishing a DORA
- Proposed boundary area
- Safety and enforcement considerations
- Logistics regarding official DORA cups
- Signage requirements
- Impact on surrounding businesses

The business owners expressed support for establishment of a DORA and indicated they would prefer hours of operation from 10:00 a.m. to 10:00 p.m., seven (7) days per week.

We reviewed the requirements and application process and discussed next steps in outreach to other businesses located within the proposed DORA boundaries.

Any recommendation regarding DORA implementation, including proposed hours of operation, will be presented to full Council at a future public meeting for consideration.
