- 1. Walnut street garage, in depth talk from past to present. We went over old talking points and agreed to sell the building with bathroom leased to the village. We need to figure out reserve price.**
- 2. Tom Dauer explained his ideas for the building. Tom also went over the Bierly St issue along with solutions and cost of these repairs. Street berms and taking in multiple yards.**
- 3. Talked over the idea for an 8-year road plan involving the village engineer.**
- 4. Went over mower replacement policy (John Deere model change about every 3 years)**
- 5. Eric Campbell brought up an issue with Pembergrove cul-de-sac sidewalk placement.**
- 6. Tom to use Countyline spray license.**
- 7. Street sweeper information.**
- 8. Tom has been having over usage of brush pickup or too much. We might want to more clearly define terms.**
