

## **Gibson & Associates Earns Top Industry Professional Credential for Southwest Virginia.**

**Gibson & Associates, LLC** of Roanoke, Virginia is proud to announce that it is now the **first and only community association management company in all of Southwest Virginia** to earn the **Accredited Association Management Company (AAMC®)** credential. Fewer than 250 **management companies worldwide** have achieved this highest level of professional recognition in the community association management field.

“We are honored and elated to receive this recognition from CAI,” said **Treema Gibson-White, President of Gibson & Associates**. “It reflects our ongoing commitment to providing a higher standard of service to the community associations we serve.”

Gibson & Associates; exclusively specializes in **community association management and developer services throughout Southwest Virginia**. The firm is known for its innovative approach, strong client focus, and commitment to delivering exceptional customer service.

In addition, Gibson & Associates, alongside several industry partners, **spearheaded the formation of the Community Associations Institute (CAI) Southwest Virginia Chapter** to promote education and professional development within common-interest communities across the region. Gibson-White has served as the Chapter’s Executive Director since its formation in 2012 and is a former Chapter President.
