Help Advice Grants Support

With spiralling household energy costs and the price cap increase rising by £700 from April, many households in our district will be struggling.

Warwick District Council would like to signpost you to the government and local support packages available to households as well as professional organisations who are able to offer advice and support during these difficult times.

Government Energy Bill Discount Scheme

All domestic electricity customers in Great Britain will receive "an upfront discount on their bills worth £200" this autumn.

The £200 will be recovered from bills in £40 instalments each year for five years, starting in the financial year 2023/2024. It is expected to be added to the standing charge on bills.

We will provide more information as soon as it's available.

Council Tax Rebate

A £150 non-repayable council tax rebate for all households that are liable for council tax in bands A to D in England. The rebate will be made directly by Warwick District Council from April 2022.

Warwick District Council Energy Grant

The Council will shortly be setting up a grant scheme to help households who need support to pay their energy bills who are not eligible for the council tax rebate.

Council Tax Reduction Scheme

Households on a low income including the self employed may be entitled to a reduction in their Council Tax. To find out if you are eligible, you can complete an online form. Further information is available on the Council's website.

Discretionary Housing Payments

These are payments that can be made by the Council in addition to a housing benefit award or a housing element, awarded as part of Universal Credit (UC) if you encounter unavoidable exceptional circumstances, such as health issues or urgent debt. Visit the WDC website for details.

Housing Benefit

Housing benefit was replaced by Universal Credit in 2018, however you may still get benefit to help you to pay your rent if you are state pension age or living in temporary accommodation or accommodation where care and support is being provided. See the WDC website to find out more.

Financial Inclusion Team

The Council's team can provide a variety of support to the Council's 5000 housing customers, including advice on rent payments, benefits, budgeting, charity applications, foodbank vouchers and fuel poverty.
