

SpeedWatch Report for 25 November 2024 RSPC Meeting

- We have not carried out any Speedwatch sessions this month (at the date of writing) owing to the non-availability of our volunteers (for a variety of reasons).
- Our new recruit Phil Sturgess has not yet received LASER device training but it is hoped that this will be carried out before the end of the year. The SNT team is very overstretched (but that is a different matter).
- The November CSW Newsletter produced by Gary Strain (Warwickshire Police Officer responsible for overseeing CSW groups in the Warwickshire area) has been received and will be distributed to our volunteers and Parish Councillors.
- A WRE (Warwickshire Rural East) Councillors' Meeting was held on 4 November which I attended. The meeting was chaired by PSCO Ed King supported by PC Amy Jones. A copy of the presentation has been distributed to Councillors.
- At the WRE Meeting it was mentioned that the previous Chief Constable Debbie Tedds has retired and has been replaced by Interim Chief Constable Alex Franklin-Smith. A new permanent Chief Constable will be appointed in due course

Councillor Roger W Munn
