

## **RADFORD SEMELE COMMUNITY HALL**

### **Report to Parish Council – November 2024**

The Hall continues to be well used – both by regular users and for parties and special events.

Regular users of the Hall all seem to be maintaining good numbers, although Zumba and Yoga would greatly benefit from more support. To this end they have been highlighted in the upcoming Newsletter to be printed and distributed fairly soon.

The Warm Welcome recently started on Tuesday mornings has not attracted as much support as hoped - although those who do attend have very much appreciated the opportunity to come into a warm space for company and a hot drink ! This will be continued for the time being, with it also being highlighted in the next Newsletter.

Lucy who runs the dancing school has been using the Hall in addition to her normal classes at weekends as she prepares for a show.

The Murder Mystery evening recently organised by the WI was a great success and they have a Winter Fair planned for the beginning of December, with many stalls and entertainment. These events are attracting new people into the Hall.

Art Group continues to be almost the highlight of the week, with good numbers increasing all the time.
