# Free Design & Installation Service

Innovative ideas & designs  
with reading & learning at  
the heart.

A 3D architectural rendering of a modern library interior. The space is bright and open, featuring large windows with views of a green landscape. The furniture is colorful and functional, including blue and orange bookshelves, round tables with chairs, and a central circular reading area with a curved bookshelf. The overall design is clean, bright, and inviting.

**Planning to create a new Library Space?**

**Looking for inspiration and new ideas?**

**Want to know exactly how a new design will look?**

**Talk to us today about our free design & installation service to transform your Library and School.**

Get a free design from our experienced design team.

Designed by us - See your new Library in 2D and 3D drawings.

### **From Concept to Installation.**

Whether you are an Academy, School, College or University, we pride ourselves on our professional, innovative and reliable service. We take your vision from the initial idea to designs & plans, right the way through to production and installation. Our process works fully to your convenience to ensure minimal disruption.

### **Expert Design**

Inspiring Children and students to read and learn is at the heart of all of our designs which are thoughtfully made to give motion and flow to any space making it a more social and visually engaging area. We want to make your library space the hub of your school, a place for students to socialise and learn. We understand that a modern school Library needs to be flexible, inviting and energising, ready for a wide range of learning activities.

### **Creating a Flexible Environment**

Our versatile furniture can be used to create zones or pods that could be dedicated to different subjects, genres or activities. Large group work areas can be arranged for whole classes, or small reading dens can be made for readers hoping to get lost in their books.

### **An Engaging Display**

Using a mix of bright colours and elegant curves, our designs give a contemporary look that will energise students and transform any room. We use a wide range of soft seating to create group circles, break outs and fun hideaways that spark imagination.

## You're In Safe Hands

Our market leading range of educational furniture has been developed working directly with schools and by our own team of experienced in house designers. No matter how big or small your Library or Classroom project may be, we can create the perfect learning space. Our team will meet you at your school when possible to take measurements and start the design process. Alternatively try our remote design process for even faster results.

## More Than Just Library Design

Don't forget, our design service is free for reading corners, classrooms and whole school fit outs too. We're happy to do all of the hard work and when it comes to bringing brilliant design to your school we go the extra mile. Whatever your requirement, talk to us today for a free, no obligation design.

# ONESTORE TEACHING WALL

## OneStore Teaching Wall

The OneStore is our flagship Teaching Wall, designed for Teachers and their classrooms. The OneStore creates an ordered room with efficient storage space, ideal to keep students focused and minimise distractions. Modular in its' assembly, this teaching wall can be made into any configuration that fits the needs of the area or Teacher. The OneStore features 48 Gratnells storage trays in a choice of colours, along with generous cupboard and shelving storage. By having everything conveniently stored away, the learning environment is free from distractions. The centre of this teaching wall is the Interactive whiteboard housing. This will fit most interactive whiteboards. With the screen fitted in the middle of the teaching wall, it gives students a clear focal point. The OneStore includes 2 sliding whiteboard doors which can be used for writing & teaching. The whiteboard doors are soft closing, feature aluminium handles on each side and use an aluminium track system. A teachers desk is incorporated into the design with a removable back panel for easy access to data and power ports, a pull out keyboard desk, additional cupboard storage and 9 acrylic pigeonhole spaces. Available in a choice of 5 colours and made from 18mm solid MDF. All with a 10 Year guarantee.

The standard options come in two sizes, 4 metres wide & 5 metres wide. Bespoke sizes can also be easily made, please contact us to discuss your requirements. The OneStore Teaching Wall really is the one Storage solution for every classroom. Installation is available for the OneStore Teaching Wall and is advised. The installation process takes approximately 1 day per Teaching wall for completion and is carried out by one of our own installation craftsmen. However, if you would like to install the Teaching Wall yourself, then please do not order the Installation and we will supply assembly instructions for the OneStore.

## The Utile Whiteboard Table

**Flip-Top Mobile Whiteboard Table, for collaboration, presentation and perceptions.**

- Began as a way for students to develop their skills in presenting and discussing their viewpoints.
- Can be used for a wide range of group activities, debates, problem solving, pro/con exercises etc.
- Entire lessons are structured around the use of these tables.
- Engages well with students and encourages them to participate in class work.
- Allows students to draft an answer which can be altered.
- Foldable for display or storage.
- Allows teachers to quickly assess how well a class is grasping a concept.
- A good way to encourage students of low confidence to put forward an idea.

Utile Tilting Whiteboard Tables		
B66002	H733mm x W1400mm x D875mm	£399.00

**Tilts to display**

**Wipe clean surface**

### Children's Comments:

- 'It makes lessons more fun because it makes a nice change from writing in books all the time.' **Ronan Y6**
- 'Much more spacious to write on and easier to use than whiteboards in the class.' **Max Y6**
- 'You can show other people your work by flipping up the tables and you can move them around.' **Olivia Y6**
- 'They're really good because I'm not worried about making mistakes because you can easily rub your work out and change it.' **Ayla Y6**

### Teacher's Comments:

- 'The tables give the children the opportunity to not worry about mistakes and to try challenges without the fear of failing because mistakes can be rubbed out and easily corrected.'
- 'There are space constraints that we experience with mini whiteboards that are used in most primary schools.'
- 'They can flip up and children can share their ideas with the rest of the class.'
- 'They help with group work and promote discussion when note making. Four children can fit comfortably around a table and can work collaboratively with plenty of space to write.'
- 'Ideal for problem solving and can be used for all subjects. The children love the opportunity to use the tables, the novelty never wears off.'
- 'High quality, durable and easy to keep clean.'
- 'Perfect for whole class teaching and for invention groups and suitable for children of all ages.'

# WALL PIGEONHOLES

## Wall Mountable Pigeon Holes

Very high quality & stylish pigeonhole units. Formed, clear acrylic shelves are a sturdy 3mm thick & come complete with name strips. There is a downloadable template for Word so you can create neat & tidy names or titles.

Please note: Acrylic shelves come with a protective film on both sides that should be peeled off before use & then apply the labelling strip.

Units come complete with metal adjustable hanging brackets. Please make sure that the wall you are securing the unit to is solid & able to take the weight of the unit safely. Screws are not provided as you will need to use the relevant type of fixing for your chosen wall. If unsure please consult a qualified tradesman.

**Pigeonholes shown in our Oak Finish.**

Clear acrylic shelves

Supplied with name label holder

# PIGEONHOLE UNITS

## Pigeon Holes

Ideal for sorting post & distributing mail. All pigeon holes are manufactured from quality 18mm laminate & are available in 5 colours - Beech, Maple, Oak, Grey or White.

All shelves are fully adjustable with 32mm hole spacings. The clear acrylic shelves come complete with a label holder for the front - A template for you to download is also available for opening in Word to type in the name or title to give a neat appearance. These units are solid & heavy but we have designed them as modular parts which simply connect together with the supplied fixings.

Three base options are available, a table option, a cupboard option or a high capacity option.

### Choice of finishes

## TABLE OPTION

**CUPBOARD OPTION**

## Gratnells Tray Colours

## SAVE MONEY & SPEND YOUR BUDGET WISELY

We have now made all of our premium tray units available to purchase without trays, saving your school money.

Many schools replace their tray units simply because the outer carcass has become damaged or unsightly, whilst the plastic trays are still perfectly usable.

When you see this logo throughout our catalogue that is the amount you will save by reusing your existing trays.

Simply deduct that amount from the unit price when purchasing and add (E) to the end of the code.

Example: A11007(E) = 6 tray unit, supplied empty.

**See how much you can save - remember to look for the logo!**

# Mix & Match tray depths to suit your requirements

Trays made simple!

## Gratnells Trays *See opposite for tray colour guide*

Code	Shallow Trays	Price

Thick, rounded PVC edging adding to safety & long life

KubbyClass Library furniture is a superior quality range of units that are manufactured in a solid 18mm MDF maple finish with a 2mm bump resistant PVC plastic edge with a plywood effect. Available as standard in maple with a choice of 7 colour themes. The majority of the KubbyClass Library range has adjustable shelving with hidden grooves to stop the shelves being pulled directly out. Shelves have to be lifted & then pulled forward to remove. This is a unique safety feature that adds even more to this exciting & colourful range.

As KubbyClass furniture is manufactured by one of the UK's leading manufacturers of educational furniture, it comes with a full 10 Year Guarantee as standard. KubbyClass is a truly superior range.

### Choice of colours with maple

### all maple or beech

## Available in 6 Heights & 7 Colour Themes

## KubbyClass® Slimline Bookcase

The KubbyClass Slimline Bookcase is slightly narrower at 500mm, ideal for where space is limited.

Adjustable shelving can be positioned where required & comes as standard with the KubbyClass Safety Shelf. Solid construction with 10 year guarantee.

## Kubbyclass® Polar White Library

KubbyClass Polar White furniture is a superior quality range of units that are manufactured in a solid 18mm MDF white outer finish that are available in a choice of 7 colour themes. All units have a durable, 2mm bump resistant, PVC, plywood effect edge. All bookcases have adjustable shelving with hidden grooves to stop the shelves being pulled directly out.

Shelves have to be lifted and then pulled forward to remove. This is a unique, KubbyClass safety feature that adds even more to this exciting, colourful range. Besides the 7 colours in the range, KubbyClass Polar can be supplied in an all white finish throughout.

The range consists of standard size, slimline & double sided bookcases, plus end-cap & D-end units that finish the look off.

Available in 6 heights ranging from 750mm high to 2 metres tall. All units are delivered fully assembled & ready to use, backed up by a 10 year guarantee, an industry first!

KCLAP1	960mm	520mm	480mm	£299.00

Choice of 7 colour themes - also available in Maple or Beech finish throughout

## Kubbyclass® The Ultimate Paper Storage Solution

The KubbyClass® Paper Storage System covers all standard paper & card sizes from the largest A0 to the A4. This solid quality range is modular in design which allows you to pick & choose any combination to suit your paper storage needs.

KubbyClass® is a premium range, built to the very highest standard & manufactured in a superior 18mm maple laminate with a 2mm plywood effect edge. We also offer a 10 year guarantee across the entire range.

All of our planchests & sliding shelf paper storage units use quality metal runners, making them not only incredibly strong but means they slide effortlessly.

A1 Sliding Shelves

A1 Drawers

A1 Fixed Shelves

Code	Height	Width	Depth	Price
KCA1ULT1	1360mm	3018mm	685mm	£2868.00

Code	Height	Width	Depth	Price
KCA06D	1202mm	1342mm	934mm	£1598.00

## Kubbyclass® A0 Professional Planchest

The KubbyClass© A0 Professional Planchest is a high quality, solid quality built, 3 or 6 drawer unit. Constructed in 18mm maple laminate with a 2mm bump resistant, ply effect edge.

The drawers have 15mm bases ensuring your paper or card stock is stored completely flat & with our 100kg rated, easy gliding metal runners means you will never overload these drawers.

We are so confident with the quality of our units that we are the only manufacturer of A0 planchests who showcase the strength of our drawers by having an adult stand in an open drawer. We also offer a 10 year warranty with all Kubby-Class© units.

Code	Height	Width	Depth	Price
KCA03D	722mm	1342mm	934mm	£849.00

Internal measurements of drawers are 1240mm x 885mm allowing plenty of room. Drawers are 70mm high. These units are substantially built & we recommend removing drawers to move the units due to the weight.

<b>A0 Paper</b>
1198mm x 841mm

**9 Drawer Planchest**

Code	Height	Width	Depth	Price
KCA1DRW9	1360mm	1006mm	685mm	£986.00

## Kubbyclass® Paper Storage Solution

The KubbyClass® Paper Storage System is so versatile it will store your flat media from the largest A0 size paper or card down to A4.

With the superior 100kg rated runners & 15mm drawer bases the planchests are probably the strongest units you will find. We are so confident in the quality of our Kubby-Class® units each one comes with a 10 year guarantee. All units are manufactured in a durable, 18mm thick maple laminate & have 2mm bump resistant, ply effect edges. The range can also be manufactured in Beech laminate at the same price if required.

## Kubbyclass® Lockers

KubbyClass Lockers are a premium class locker range mainly used for Primary School children. They are available in 1, 2 & 3 door variants. The single door version comes with a shelf & 2 indestructible coat pegs. These quality units are crafted to the highest standard set by the KubbyClass brand using the best materials & featuring a solid 18mm back panel. As with all of the KubbyClass range we offer a Ten Year Guarantee.

The hinges that we use allow the doors to open a full 270 degrees, allowing plenty of access to the locker. The metal nickel handles used on the doors are flush mounted for extra safety so that bag straps do not get caught in busy corridors.

- **18mm thick, solid construction**
- **270 degree opening hinges**
- **Solid 18mm back panels**
- **Flush inset metal handles**
- **Full 10 year guarantee**
- **The highest quality range available**

## Corner Coat Tidys

A unique & stylish Corner Coat Tidy, that is solidly built & enables space to be maximised. Comes complete with shelf for shoes & bags. Available in a choice of 7 colours & with a choice of unbreakable pegs in 9 colours.

Shoe & Bag Storage

Bump Resistant Edges

Indestructible coat hooks

**Fixings NOT supplied**

## Kubbyclass® Mounted Coat Hooks

The KubbyClass® Wall Mounted Coat Hooks range is available in 18 lengths, ranging from 200mm all the way up to 2m in 100mm increments. Height of backboard is 155mm.

Unlike other manufacturers, we do NOT use aluminium pegs, that are prone to snap & leave sharp, dangerous edges behind, all our hooks are indestructible & will last a lifetime. They are not only tough, but designed with safety in mind.

There is also a choice of 9 hook stock colours to choose from. The backing rails are 18mm MDF laminate with a 2mm bump resistant ply effect edge.

### Choose required rail width:

Code	Width	Description	Price

## Kubbyclass® Early Years

A superior collection of Early Years storage and display furniture to enhance any setting. This exciting range has been designed with the help of Early Years Centre staff to ensure that all items are suitable for their environment. Solidly constructed and delivered fully assembled you can choose from an all Maple finish or add Lilac or Powder Blue top to any of your units to give a hint of colour and interest for your children.

The curved sides have been incorporated into the design to avoid any sharp and dangerous corners.

Open units with no backs allow children to access the items from both sides and the staff can see through and monitor young learners.

Just a few comments we have received:

*"The coloured furniture brightens up and refreshes our environment and with the colours being pastel, goes with our original colour scheme."*

*"Our new furniture is the perfect height for our older children to stand and play at, and has ample storage for toys and all of our equipment. The toys can be easily accessed by the children and the size of the furniture pieces allows several children to play at once."*

*"It is very hard to find furniture for our under 2's, so we especially love the lower pieces that are ideal for our babies who are not yet walking. The Early Years Foundation Stage (EYFS) is our curriculum and it suggests that toys be accessible at all times to the children, we can now allow this to happen."*

*"We love the way the pieces have been designed to fit together, being able to do so makes our learning areas flow much better."*

**Gratnells Cubby Trays available in Clear or Magnolia**

acorn

Acorn Early Years soft seating is a range of fun, bright and creative soft seating shapes that can be used to build exciting learning and play areas.

Crafted in the UK and finished by hand. This range is sewn in our Cadet performance vinyl which is latex free, ultra durable and stain resistant. The seating can be easily wiped

clean and features an anti-bacterial Acryltron protective coating.

This range is made from high density foam that holds its' shape. Youngest learners can use the seating to support themselves whilst taking first steps, and older children can comfortably sit for story time or group play.

All fabric choices are flame retardant to ignition source 5 and comply to BS5852 part 2.

## Fabric Choices

Cadet Colour choices - the market leading vinyl upholstery range, feels even softer, works even harder and is available in a range of bright and bold colours. Suitable for healthcare & educational environments. Cadet Colours are fire retardent, protected by Acrylton for enhanced durability and shield plus antibacterial defence.

## Fabric Choices

Acorn Bean Bags are upholstered in a robust and long lasting yet soft to the touch showerproof fabric. Suitable for use indoors and out, these bean bags are perfect for taking the classroom outside. Available in a range of bright and bold colours. Each bean bag features an inner bag to prevent any loss of filling. Larger bean bags are designed to be perfectly ergonomic whilst smaller bean bags can be easily transported and moved. The Acorn Range of Bean Bags caters for all age groups and most products can be used between Key Stages.
