

HOUSING IN PANTANO

The purpose of Housing constructions is to give shelter to homeless, poor and victims of any natural calamities in the city. For this project, we have 15 units and chosen 15 Muslim families from Pantano, San Roque, Zamboanga City who don't have a house or sufficient money to build a house even a small one for they cannot afford to buy the materials needed in the construction. The total cost of this project was PHP 1,300,000.00

RAMADAN IFTAR 2016

Our Muslim brothers and sisters gathered together in observance and celebration of Ramadan Iftar. We have served more or less 400 people every day for 1 month and prepared 9,000 meals. We have Muslims brothers and sisters volunteer preparing and cooking the necessary food that will be prepared every meal. We served heavy meal such as rice, chicken, vegetable, noodles, drinks, and dates. This is open for all Muslim families including children especially the ones practicing the “fast”. The cost was PHP 350,000.00.

PROJECTS FOR YEAR 2016

NEW LIVELIHOODS 2016

A person's livelihood refers to their incomes of acquiring basic needs of life. Livelihood is defined as a source of revenue that is essential to everyday lives. Such activities could include selling water, food, medicine, and clothing. We have funded projects that gave livelihood to 200 Muslim families by giving them financial assistance. After, giving a livelihood we will monitor the beneficiaries as to check their status if they were really able to come up a small business and if there's any progress out of it. The cost of this project was PHP 2,000,000.00
