**IGP SEAWEED**  
**SIMARIKI**

We have 60 seaweed farmers, with 360 total number of family members from Simariki, Zamboanga City who were affected by the storm that struck in Zamboanga City last 2017. Some of the Seaweed plants were destroyed and damaged because of the natural calamity. With their situation, as they no longer have other means of work to do as they only depend on seaweed farming as one of their main source of livelihood. We reached them helped by giving those materials for planting seedlings. Each one of them received: Seaweed seedlings, plastic bottle, softie, binder, rice, coffee and sugar. The total cost of this project was PHP 360,000.00.
