New Feeding Program with Kroger

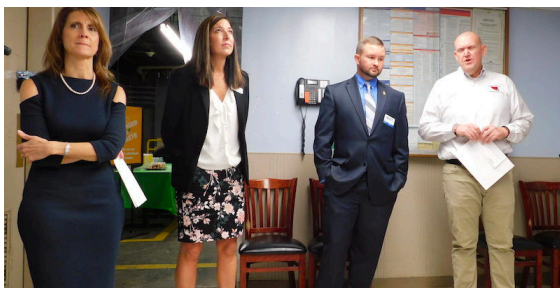

We are very excited to announce a new partnership with our newest local mission partner: Kroger of Oak Hill.

As part of Kroger's Zero Hunger Zero Waste initiative, Kroger is donating \$10,000 to our area.

"Kroger has a goal of ending hunger in the communities we serve by 2025," said Matt Diederich, manager of the Oak Hill Kroger. "No family in a community we serve should ever go hungry."

WV Adrenaline Softball

The WV Adrenaline, a 14U Softball team comprised of girls from three area schools, recently volunteered at the Ministry. These girls represent three schools but with one heart to serve those in need. It's a true testament to these girls' character and love for others.

Corporate Partner: Food Lion

Through a \$5,000 Pantry Makeover, Food Lion has helped us expand our food storage capabilities. After the pantry makeover, we've been able to construct a new CoolBot walk-in freezer to help us keep more food fresh for longer.

Christmas Party

On December 14 at 6PM, we will be hosting a Christmas party for local families at the Center of Hope. Food, fun and fellowship are guaranteed for all as we celebrate the birth of Jesus. We are blessed to be able to make toys available for all kids and of course, free photos with our special guest: Santa!
