

ANDREA CIRIELLO

PEACE IN A CAOTIC LAND

A desolate, war-torn landscape. A path leads through a field of rubble, including twisted metal, charred wood, and debris. In the background, there are skeletal, leafless trees and a thick, grey smoke or fog that obscures the sky. The overall atmosphere is one of devastation and despair.

**NO PEACE IS
FOUNDED**

**UNTIL PEOPLE
REALIZED**

**WORLD IN PEACE
IS BETTER**

**BUT WAR IS NO
MORE
REPAIRABLE**

**SO THE WORLD
WILL ALWAYS BE
DIVIDED**
