My goodness where have the last two months gone, they seem to have flown by?? We have just had a deep clean of the Centre, our staff are very good but their time is limited so we felt that it was necessary to help them out. We now have two new weekend cleaners to help keep on top of things. You don't realise how much there is to clean unless you take a walk around the place!!

Chris Terry has been working extremely hard to enable us to get Health and Safety booklets produced and also a staff handbook, he has put in a tremendous amount of work which we sincerely thank him.

The website is progressing really well all thanks to Paul, we have a draft copy that we are experimenting with at the moment before it finally becomes live. It looks great and is so much easier to use!!

You may have seen that we now have an Inpost locker situated at the back of the Centre which will hopefully stop people's parcels being lost or delivered to an incorrect address.

We have received quotes to get the entrance hall redecorated and this should take place at the beginning of May. We are slowly working our way around the Centre but without your support this wouldn't be possible, so thank you one and all.

The Vintage Day is coming together and we would like to thank Mr and Mrs Howard and Mr Andrew Medlar for allowing us to use their field again this year for car parking.

The motorbike event is also coming together so we would love to see you at these events. The motorbike event is supporting two local charities so any money they receive will help those in need.

We are really looking forward to the summer and all the events that are taking place at the Centre.

## **ST FAITHS PARISH CHURCH** **OF ST MARY AND ST ANDREW**

**The Church of England and the Methodist Church**  
**Worshipping & Working Together**

A dad was driving his little boy down a country road on a beautiful spring afternoon. Suddenly, out of nowhere, a bumble bee flew in through the open car window. The little boy was fatally allergic to bee stings, so, quite understandably he was petrified. But his dad reacted very quickly. He reached out in an instant, and grabbed hold of the bee. He squeezed it in his hand, and then released it. But as soon as he let it go, the little boy started panicking again, especially when it flew close to him. The dad stopped the car, and once again, reached out his hand. This time, he pointed to his hand. There, sticking out of his skin was the bee's sting. "Do you see this?" he asked his son. "You don't need to be afraid anymore. I have taken the sting for you."

And, putting it simply, that's the message of Easter. We no longer have anything to fear, as Jesus has died on our behalf. He has conquered death and evil, and has saved us from our sin.

On Holy Saturday, the day before Easter Day, Jesus' friends would have been reeling from the horrific events of Good Friday; that awful day, when the man they had loved and followed and worked alongside for the past three years – and who they thought would lead them into new and exciting things – that day Jesus had been brutally murdered; nailed to a cross like any common criminal, even though he had done nothing wrong. He was dead.

How were they supposed to feel? What were they supposed to do next? They were confused, shocked, and bewildered. How could they have got it so wrong?

Except they hadn't got it wrong at all.

The simplest meaning of Easter is that we are living in a world in which God has the final word. On Good Friday it appears that the devil is indeed the king of the world. The most holy and most lovable man in the history of the world was dead. A cross, a handful of nails, a jeering mob and a quick thrust of a spear had ended all the hopes of the world. Those hours when his voice was silent, were the blackest hours the human race has ever known. If the authorities could put an end to Jesus, then no one could ever hope again.

Thankfully, we know that that wasn't to be the end of the story. Jesus kept his promise and on Easter Day, as we now know it, Jesus rose from the grave. Alive! Triumphant!

Jesus took the sting on our behalf. He came back from the dead to bring us to a new life with him, now and for all of eternity. And the really Good News is that the new life he offers is for everyone – whoever we are, wherever we are, and whatever we've done. All we have to do is ask. Why not join in the celebration? Come along to your local church, hear the story and find out what it's all about for yourself. You never know, it might just change your whole life.

But whatever you do, have a joyful and happy Easter.

With my prayers and good wishes,

Rosemary

The St Faiths Sunflowers have been busy brightening our village and building community spirit from tackling litter to learning life-saving skills, we are making a difference.

Our first community event featured a free CPR and Defibrillator training session from the East Anglian Air Ambulance, equipping us to help in emergencies. We also took part in The Broadland Big Litter Pick 2025. If you see us around the village in our Hi-vis vests with grabbers and waste bags, come and say hello!

We meet on the 2nd Wednesday of each month and always welcome new volunteers. No special skills needed, just a love for our village and a willingness to help. Interested?  
Get in touch, we'd love for you to be part of it.

## HORSHAM & NEWTON ST FAITHS PARISH COUNCIL

Chairman: Mr Raymond Browne

Vice Chairman: Mr. Barry Coe

Clerk: Mr. Jim Gtaves

e-mail: [stfaithpc@gmail.com](mailto:stfaithpc@gmail.com)

The Council have made a grant of £3,000 to the newly formed St.Faiths Community Volunteer Group to purchase equipment for use throughout the parish.

Verge cutting within the built up area of the parish will continue to be carried out by the Council's own contractor following agreement with Norfolk County Council on the level of a grant to carry out this work.

The vacant allotments have been re-let and any resident wishing to be added to the short waiting list should contact the Clerk.

BT have changed their mind about disconnecting the telephone kiosk on Norwich Road following an objection from Broadland District Council on the grounds of poor mobile signals in the area.

At the February meeting the Council co-opted Stephen Lawrence as a member of the Council

The Council have been successful in their bid to Norfolk County Council for 50/50 funding for a SAM2 speed monitoring sign. Once sites have been agreed with NCC (it has to be moved every four weeks) the sign will be ordered and should be in place in the summer.

## **Spring Term at St Faiths'**

I can't believe the Easter holidays are almost upon us! We have had a busy term with lots of fantastic learning taking place. Everything we mentioned in our previous Journal entry has taken place, and more! We were even visited by a children's book author – Julia Edwards – who worked with Year 6s from Frettenham, Hainford and St Faiths' to help them with their independent writing. It has been difficult narrowing down to just a handful of events to share, but I've done my best! You can see more by reading our school newsletter, found on our website above.

## **Young Voices Concert**

In January, children from Years 4-6, accompanied by our friends from Hainford and Frettenham, as well as from other Nebula schools, all made our way down to London to sing at The O2 Arena!

The Young Voices choir, made up of over 8000 children, performed a medley of songs from a range of genres. This year, children were joined by celebrity rapper - and World Book Day Ambassador - MC Grammar, lead vocalist from Strictly Come Dancing Tony Blaize, and 14-year-old singing sensation Souparnika Nair.

The children from St Faiths' sang their hearts out! They were incredibly well-behaved and it was a privilege to be the teacher to accompany them. I look forward to next year!

## **NSPCC Number Day**

Our first ever Number Day was a great success, helping to make maths fun and bring about a positive, 'can-do' attitude towards it. Mrs Cawood did a great job of organising some books about numbers and complementary events, including in Chestnut Class where they shared the book, *How Many Jellybeans?* It wouldn't have been complete without the real thing! Each child was given their own jellybeans, working out the fraction amount they had of each colour... Before they got to eat them!

## World Book Day

We had great fun celebrating World Book Day this year, including Elm Class' Secret Mission: Where's Wally!

We spent the day celebrating our love of books in lots of different ways. Our Year 6 children started the day sharing picture books with children in Elm and Chestnut Class, before Miss Cunningham set up an activity for the whole school to share their favourite characters or re-design the covers of some of their favourite reads.

Elm and Willow Class also enjoyed a game of hide and seek: our Wallys all hid round the school and we tried to find them! Well done to Miss Cunningham, for being the last Wally found...!

As always, each child received a £1 World Book Day voucher to continue that love of books at home.

We look forward to sharing more next time!**

Miss Wilson  
Head of School

This season seems to have flown past for me, but it has been good to be able to partake and do reasonably well after a season off last year.

Our Norwich Division 1 team SFC A may not quite make the silverware, but can be proud to lie in 4th place with just a couple of matches left to play. Top of the averages with 75% success figures is Club captain/secretary, Ben Briggs, so a very satisfactory season for him so far.

An even more successful season so far for SFC B in Division 2. For Those players, who lie comfortably in second place, it could result in promotion if their last two matches go to plan. Their 3 regular players Danny Atkins, Andrew Latham, and Teucer Wilson, have recorded 70% singles success figures, which is impressive. Between them, they have been voted “player of the match” a total of 9 times over the season, as recorded on the Table Tennis England website, where all our match results can be viewed.

In Norwich Division 3, 5th position for the team I play for, is OK, with mid table placing assured. We have not had a particularly settled team, as 9 different players have been called in when regulars have been unavailable. Hayden Kerr has settled in very well recording almost 70% singles successes, and Andrew Watson and myself, have supported him as best we can, with nearly 40% success figures for each of us.

In the Dereham league, that team is still one place off the base of Division 1, so with 3 games in hand, it is possible for them to gain a place, should other teams slip up. Good luck to St Faiths boys, as they will not want to go down to Division 2,

## Share your views on exciting proposals in Horsham St Faith

Abel Homes has announced proposals to develop high-quality, sustainable new homes on land south of Church Street, Horsham St Faith.

The site is approximately 3.3 hectares in area, located east of the A140, adjacent to the Abbey Farm Commercial Park. The site is allocated as part of the adopted Greater Norwich Local Plan under policy reference 'B.HS.1'.

The proposals will provide 53 high-quality, energy efficient, sustainable new homes, including policy compliant affordable and shared ownership housing. The proposals also include the provision for an on-site play area, as well as the provision of a new 3m-wide pedestrian and cycle path along Church Street, along with additional pedestrian/junction improvement works.

Abel Homes would like to hear the views and comments of the local community ahead of submitting a Full Planning Application to Broadland District Council. You can do so by completing the online survey made available via the dedicated website – [www.abelhomes-horshamstfaith.co.uk](http://www.abelhomes-horshamstfaith.co.uk). The website also provides further information on what the proposals have to offer.

If you have any questions regarding the proposed development or would like to provide any further comments, please do get in touch directly by emailing [info@abelhomes-horshamstfaith.co.uk](mailto:info@abelhomes-horshamstfaith.co.uk) or calling **0800 148 8911** (Operating Mon-Fri, 9am-5:30pm).
