Extracurricular Activities

Sports
Robotics
Greenpower Car
AAA Safety Patrol
SkillsUSA
FBLA
other unique
after school clubs

On behalf of the faculty and staff, it is my pleasure to extend to you a warm and heartfelt welcome to Arnold Magnet Academy! As a C.O.M.P.A.S.S. Magnet,

AMA offers students a unique opportunity to envision a future of purpose, passion, and possibility by cultivating career awareness, academic excellence, and essential life skills. Here at Arnold, our faculty is dedicated to every student's intellectual development and emotional growth following the 3 P's: Passion, Perseverance, Positive Attitude. Students will discover new skills, new friends, and new interests as they explore the wide variety of academic and athletic activities, clubs, organizations, and teams. I encourage parents to actively participate in our Parent Teacher Organization (PTO) which supports Arnold's students and faculty. Let's have a great school year and remember...

*Say It Loud! Say It Proud!
It's great to be an ARNOLD K-11!*

“Where pathways are
explored and potential
career opportunities are
discovered”

WHY CHOOSE US?

We have a

Virtual Lab with 60 VR Goggles

Comments from magnet students:

- Teachers and staff are
 - caring but strict
 - organized
 - dedicated and hard-working
 - passionate
- Safety is a priority
- No Technology Tuesdays and Thursdays
- PBIS promotes good behavior
- Lots of School Spirit
- Unique afterschool clubs
- The variety of Connections Classes that change every semester
- We are allowed to be creative

📍 Specialized Curriculum

Dive into themes like Career Exploration, Fine Arts, Global Studies, and Leadership.

👋 Hands-On Learning

Real-world projects, labs, performances, and field experiences.

🏆 Academic Excellence

Rigorous coursework with personalized support.

🌐 Inclusive Community

A diverse, welcoming space where every student belongs.

🎯 Future-Ready Focus

Skills for high school, college, and career success.

APPLICATION DETAILS

The Magnet Application will be posted online on the Muscogee County School District Website.

There is NOT an entrance exam, but will schedule an appointment for an interview via Zoom.

If the student is currently in a school within the MCSd, we can access all the information needed.

If the student is currently in a school outside of the MCSd, we will need you to provide us with current school records including grades, standardized test scores, attendance, and behavior records.

📌 Mission Statement: To inspire and

guide middle school students through a dynamic learning environment that integrates career exploration, personal motivation, and academic planning. We are committed to equipping students with the knowledge, skills, and confidence needed to thrive in high school, higher education, and career readiness.

🌟 Vision Statement: Empowering every

student to envision a future of purpose, passion, and possibility by cultivating career awareness, academic excellence, and essential life skills.

MAGNET CAPSTONE PROJECT

THE GAME OF LIFE

In this project, students will make important decisions and present their findings. The objective is to help students learn how to manage a budget, understand financial matters, and imagine the challenges of adult life. This project-based learning activity offers a real-world approach to financial literacy, guiding students through key stages of adulthood.

Our magnet emphasizes a holistic approach to preparing students: guiding them through career exploration (Career Orientation), building motivation and effective planning while strengthening academic success and essential life skills. Our distinct approach in combination with the “compass” framework will help our students find their direction.
